

Introducing the Nouveau Pizzeria outdoor fire

The Warmington Nouveau Pizzeria is a wood fired barbeque with pizza oven so you can enjoy cooking delicious pizzas and bread in just minutes, as well as traditional barbeque food.

The fire allows for quick heating of the oven and is lined with bricks to hold the heat and ensure even distribution.

Features and Benefits

- Cooking facility including pizza oven, bbq hot plate and grill.
- Stainless steel weathershield to protect the firebox.
- Proudly New Zealand made.
- Add warmth and entertainment value to your outdoor area all year round.
- Accessories include rotisserie, 'hell rotisserie' (for whole or large pieces of meat) and davit handle to allow cooking with a pot over open flames.

Sizes: 900 - 1100 - 1250 - 1500

Available from Retailers nationwide or
